

smoke vision care

HEALTHY SIGHT. FOR LIFE. 

We are always happy to accept a resume for consideration of employment at Smoke Vision Care. Our practice is consistently growing and with the changes in health care, seeking individuals to help us achieve the high level of productivity needed to accomplish the ever expanding duties of complying with changes in the health care industry. If we do not have an immediate opening resumes will be kept on record for future consideration unless requested otherwise.

OPTOMETRIC ASSISTANT POSITION

Smoke Vision Care is private optometric practice that has an opening for a consistently compassionate, motivated team player who enjoys serving others while working in a fast-paced environment. Our primary eye care practice provides a wide range of services from the diagnosis and treatment of eye disease and routine eye examinations to optical dispensing and contact lens services providing exceptional opportunities for learning new skills and professional development. Our team members are cross-trained to assist in many facets of patient care, but team member primary responsibilities will align with their strongest skills.

Our 25 year established practice is dedicated to providing the most advanced primary eye care and optical services with a focus on creating long-term relationships and exceptional experiences for our patients which are unparalleled in the industry. A friendly, out-going service attitude is a must.

A career as a para-optometric provides a blend of health care, customer service and retail fashion that keeps your profession exciting and provides plenty of opportunity for learning new skills. It is a fast paced environment that requires multi-tasking ability. A positive attitude, self-motivation, a willingness to learn and the ability to adapt to rapidly changing health care environment is needed for success.

Experience in the eye care field is preferred but we are willing to train exceptional candidates who are able and eager to devote time to the rigorous but rewarding education process necessary to obtain the knowledge to properly care for our patients. This position is ideally suited for a cross-over applicant with background in sales who may be looking for a new, exciting career that blends serving others in a health care environment with sales skills. Detail-oriented technical aptitude is a trait suited to the profession.

Our practice values its staff as its greatest asset. Applicants should enjoy working as a team, respect others and be willing to become engaged in the collective success of each member. They must take pride in their work and strive to give their best every day. We reward

dedication to the practice goals and mission as well as ongoing accomplishments of acquiring new skills and knowledge. We provide ongoing educational opportunities.

We would consider applicants interested in both full and part-time employment.

If you want to be a valued member of a vibrant team in a close-knit community, then we would love to hear from you! Learn more about our practice and the profession by visiting our website at www.smokevisioncare.com Interested candidates should email their resume

OPTICIAN POSTION DESCRIPTION

Smoke Vision Care is private optometric practice that has an opening for a consistently compassionate, motivated team player who enjoys serving others while working in a fast-paced environment. Our primary eye care practice provides a wide range of services from the diagnosis and treatment of eye disease and routine eye examinations to optical dispensing and contact lens services providing exceptional opportunities for learning new skills and professional development. Though our team members are cross-trained to assist in many facets of patient care, we are searching for someone with skills aligned with the role of optician/eyewear sales associate. This position is ideally suited for a cross-over applicant with background in sales who may be looking for a new, exciting career that blends serving others in a health care environment with sales skills. Great customer service skills, interest in fashion and detail-oriented technical aptitude are traits suited to the profession.

An eyewear sales specialist / optician is responsible for fitting patients with eyewear that is appropriate for the prescription and visual demands of the individual. Eyewear sales specialist/optician will also have responsibilities of placing, verifying eyewear orders and assisting in other areas of the optical department and front office duties of the practice.

Above and beyond the technical skills, our important hiring objectives include recruiting service orientated people who respect others, take pride in the quality of their work and strive to give their best every day. We believe the success of any business is a direct reflection of those that make up the team, we therefore value and invest in our employees to ensure that they attain their own career goals and become long term members of our practice.

Experience is preferred but not a requirement for employment. We are happy to train the skills to exceptional candidates with positive attitudes who are committed to providing excellent patient experiences. Full or Part-time positions are available. To learn more about our practice and the profession visit our practice at www.smokevisioncare.com.
