

*The Greatest Love We'll Ever See
is in the Eyes of our Mother*

Tribute to a Mother's Eyes

*Her eyes were first to gaze on you,
and then to watch you grow.
Eyes of love and caring,
deeper than you know.*

*Her eyes have seen the best in you,
when others couldn't see,
Without a word her eyes reflect,
your self nobility.*

*Her glance has taught you right from wrong,
Helped you keep your spirit strong.
Seen you through the ups and downs,
Wiped away all your frowns.*

*The greatest love you'll see on earth,
Is in the eyes of your Mother.
A love for you that's deeper,
than that of any other.*

Happy Mother's Day

"Eye"-deas for Mother's Day

Mother's Day is just around the corner....it is a perfect time to think about how you can make this day special for her. There are many simple and inexpensive ways to show her you love her; complete extra chores, cook her a meal, bake a special dessert, pick some flowers!

Thinking about buying her something special? We hear every day from Mothers and Grandmothers who haven't had an eye exam for years, updated their eyewear or even had a pair of quality sunglasses because their family comes first or they don't want to spend money on themselves. Eyewear is a gift that she can use every day to help her see better and feel good about her looks. Did you know that women have a higher incidence of certain eye diseases such as macular degeneration? An gift of an exam can help preserve vision if your mother is delaying care due to cost.

We have gift certificates designed especially for Mother's Day that you will be proud to give. A gift of eyewear or eye care focuses the attention of your gift on the very special eyes and vision that only a mother can have.

The image of the front of our Mother's Day Gift Certificate is shown on the left. You may stop by and purchase without an appointment or call us to have one ready for pick up. Also, a tribute poem to mother's eyes—feel free to use and share it!
